

Diwali assembly

On Friday 14th November year one and year two did a Diwali assembly in front of the whole school. Tareq said "Welcome to our Diwali assembly." We had lots of characters. Our characters were Rama, Sita, Lakshman, King Dashratha, Kaikeyi, Ravana, the monkey army, Hanuman and Ravana's army. One day King Dashratha said "I am getting very old my son" to Rama. Rama's evil stepmother Kaikeyi heard that so she went to King Dashratha and said "I want my own son to be king." But he was not King. Rama was king at the end. Then the girls did a nice dance. Finally the parents took pictures of us and everyone had a fabulous time. That's how our Diwali assembly ended.

Diwali assembly

On Friday 14th November year one and two did a Diwali assembly about the Rama and Sita story. There were six narrators. At the end some of the girls from year two did a wonderful dance.

Then we sat down in our places. There were lots of parents watching us do the dance and the play. They took pictures of us dancing and playing. I was one of the dancers. All of the dancers wore beautiful clothes and they played the music with a CD player. After that we lined up and went back to our classes.

Everyone enjoyed the assembly.
